

Article number example (complete valve):

VZ 080 . 03 . 30LX . 1 . 6 . M . SE . Z
 | | | | | | | | |
1 2 3 4 5 6 7 8 9 11

Article number example (part / spare part):

VZE . 0006 . Z
 | | |
1 10 11

Article number example (sleeve):

VZM 080 . 03
 | | |
1 2 3

1. Description	VZ VZE VZM	complete valve part / spare part sleeve
2. Diameter	080	in mm
3. Sleeve quality	01 03 04	CR (neoprene), T.max. 80°C NR (natural rubber), T.max. 80°C EPDM, T.max. 100°C
4. Body material	30	aluminum
5. Paint / color	LX	RAL 9006 white aluminum
6. Flange connection	1	DIN PN 10/16 and/or ANSI 150
7. Operating pressure max.	6	6 bar
8. Actuators	M E	manual actuator (hand wheel) electrical multi-turn actuator
9. Ancillary equipment	S SE	position indicator (visual) position indicator (visual) with limit switches (electrical)
10. Part number	0006	upper pinch bar
11. Addition Information
